Track Record of Results

- Helped design Vermont's financial response to Tropical Storm Irene's devastation to state highway infrastructure and buildings
- Worked to give property tax relief to towns and homeowners hardest hit by flood damage
- Chaired Senate Appropriations Committee which passed balanced budgets in times of declining revenues without raising broad-based taxes
- Successfully fought off a raid on the Higher Education Trust Fund which provides financial help to Vermont College Students
- Supported the expansion and development of Vermont's agricultural economy by funding the Working Landscape Initiative
- Preserved several hundred high paying area jobs by spearheading an Equipment Investment Tax Credit that brought state-of-the-art manufacturing equipment to local business
- Protected border retailers from policies that would have pushed more business to New Hampshire
- Established track record of working effectively within the Legislature and across party lines to enact legislation important to this part of the state
